Newsletter - Fall 2018

Hi All! Baseball has wrapped up and it's time to think about winter activities. Thank you to all our families for ensuring the baseball field was set up, and for toting the equipment.

And thank you to Ron for coaching golf again this year. The commitment of our volunteers and parents is what makes this organization work. Hope you all enjoyed your summer.

Sledge Hockey

Our season starts **Sunday, October 21st** and goes through to Sunday, March 10th from 2 PM to 3PM, at the Waterford Arena. Please arrive at the arena in time to get ready and be on the ice by 2 PM. We can accommodate a maximum of 24 players - if more than 24 registrations are received we will put you on a waiting list.

Please print off the attached registration form for sledge hockey, as well as a Game Schedule if you wish to play hockey this year. Complete the registration form and return it to me at 46 Berkley Crescent, Simcoe, N3Y 2K5 with your cheque for **\$70 made payable to South Coast Special Needs Kids**, prior to the deadline of October 1st. **If you have more than 1 child registered the cost is \$60 for additional children.** For insurance purposes a registration form must be completed in order for players to go on the ice. All "buddy-pushers" must complete and return to me a Volunteer Form as well.

If you have a sledge bring it with you, otherwise a sledge will be assigned to you on October 21st. Also, please bring your hockey jersey with you. If you are a new player please complete the jersey order form and mail it with your registration. **All players must wear a helmet, gloves, upper and lower body protection, and a neck protector while on the ice.**

PLEASE NOTE:

- Players who are unable to propel themselves will need to provide their own "buddy-pusher".
- Helpers on the ice MUST wear a helmet** for liability reasons.
- All players must be in a sledge, and only buddy-pushers and coaches can be on the ice with the players.
- Please limit number of people in the dressing room to players and those necessary to get the players ready to go on the ice.

Please ensure that your sledge hockey player is accompanied by someone who is physically capable to transfer the player from a wheelchair to his or her sledge either manually or by using the lift in the dressing room.

Golf

There will still be some nice weather for golf - Ron will be at the course at 4:30 on Wednesdays up until October 3rd. Our single rider golf carts reside at Springview Farms Golf Course in Waterford, and anyone unable to walk the course is welcome to use one of the carts. To book a tee time and reserve a cart, call Springview at 519-443-0589.

Basketball

Basketball is pending - if there is enough interest we will run it. If you have emailed me that you are interested, thank you - if not, please let me know asap. I will send an email in the next week to let you know if Basketball is a go or not!

Special Events - we will contact you by e-mail when we schedule dates for special activities.

Also please check our website www.specialneedskids2000.com from time to time for information and schedules on our activities.

Feel free to contact me if you have any questions regarding our programs.

Regards

Diane Vrooman,
